

# Petition

**Reason for Petition:** Deny the application # 131042 for a Cell Tower  
at 13260 Big Basin Way, Boulder Creek, CA

We do not want a Cell Tower visible from Highway 9 and Big Basin Highway 236. The proposed location will be highly visible from Highway 9 and Big Basin Highway 236. It will be the first thing people see as they turn left from Highway 9 onto Big Basin Highway 236 on their way to Big Basin Redwoods State Park, California's 1<sup>st</sup> State Park. It will also be quite visible for those turning right as they drive by it. This is THE major intersection in our town, so it will be seen by all who visit, it will reduce the historic quality of our town and lower real estate values.

<b>Total Signatures gathered</b>	<b>165</b>
<b>Total Signatures from Boulder Creek</b> This includes business owners, citizens, & real estate agents a-like	<b>124</b>
<b>Total Signatures from Brookdale &amp; Ben Lomond</b> Children from Brookdale & Ben Lomond attend Boulder Creek Elementary	<b>10</b>
<b>Total Signatures of residents &amp; business owners within 300' of the cell tower base</b> Many people use P.O. Boxes so this number could be higher	<b>5</b>
<b>Total Signatures of residents &amp; business owners within 1000' of the cell tower base</b> Many people use P.O. Boxes so this number could be higher	<b>22</b>

\* \* \* Due to privacy concerns voiced by many of our signers the original petition is being given to Bruce McPherson's office. Attached is a copy of the petition sheet that was used as well a report listing all the names, city, and comments given on the petition. The address given was used to calculate the distance from the cell tower base.
